Accessing Application

The following process needs to be followed to get new Id and Password to access the application successfully:

The screenshot shows the EPRS Login page in a Mozilla Firefox browser. The page title is "Easy-Pay.in - Mozilla Firefox" and the URL is "www.easy-pay.in/EPRSLogin.aspx". The page features the "easy-pay" logo and a section titled "OLD EPRS USER". Below this, there is a form titled "EPRS Details" with the following fields and instructions:

- 2. Select Company:** An arrow points to the "Company" dropdown menu, which currently shows "--Select--".
- 3. Enter old EPRS Id:** An arrow points to the "Old EPRS User ID" text input field.
- 4. Enter the code:** An arrow points to a text input field containing the code "GVhIS". Below this field is the instruction "Type code from the above image".
- 5. Click Get New Id:** An arrow points to the "NEW ID" button.

At the bottom of the form, there is a "Back" button and a note: "* field are mandatory." The browser's address bar shows "www.easy-pay.in/EPRSLogin.aspx" and the search engine is set to "Google".

Accessing Application

The new Id will be sent to the registered Mobile no. and email id of the user.

The screenshot shows the 'easy-pay' application interface for an 'OLD EPRS USER'. The main heading is 'EPRS Details'. The form contains the following fields and elements:

- Company ***: A dropdown menu with 'DISH TV INDIA' selected.
- Old EPRS User ID ***: A text input field containing 'DS1'.
- Image Verification**: A CAPTCHA image showing 'XYhdO' with a dotted background. Below it is a text input field containing 'XYhdO' and the instruction 'Type code from the above image'.
- Buttons**: Two buttons, 'GET NEW ID' and 'Back', are located below the CAPTCHA field.
- Footnote**: A note at the bottom states: '* field are mandatory. Note: You will get your new ID and password on your registered Email ID and Transactional Mobile.'

A green oval highlights the 'GET NEW ID' and 'Back' buttons and the note below them.
